

## **Assistant State Forester – Alabama**

Responsibilities: The Assistant State Forester shall serve as the chief assistant to the State Forester of the Alabama Forestry Commission. The Commission employs over 325 personnel with an annual operating budget of over \$30 million.

Minimum Qualifications:

1. BS or higher professional degree in forestry with considerable forestry experience;
2. Registered forester or ability to become registered in Alabama within in six (6) months;
3. Considerable, progressive administrative experience in natural resource-related activities;
4. Demonstrated leadership and communication skills and ability to set priorities;
5. Possesses ability to communicate and interact with wide range of stakeholders;
6. Ability to successfully influence and negotiate with all forest related stakeholders, other agencies and branches of government;
7. Established experience with budgetary development and management;
8. Skilled at building effective teams and using different approaches to motivate teams and individual team members;
9. Has demonstrated ability to deal with organizational ambiguity and paradox;
10. Has highly developed drive for results to achieve goals and objectives;
11. Can demonstrate high level of integrity and trust

Salary: Commensurate with qualifications and experience.

Application: A resume and three professional references should be sent to State Forester Linda Casey. Deadline to receive resume and references is July 2, 2007.
